

Scéalta Scoile

Dear parents,

As we come to the end of 2020, we look ahead to brighter days when, hopefully, the Covid vaccine has been rolled out and we can return to our normal lives. But for the moment, we in the school here are trying to make it as Christmassy as possible with lots of fun and decorations, dancing and music, poems and laughter.

On behalf of the Board and the staff, may I wish you, and all yours, a very Happy Christmas.

Mark Kelly, Príomhoide.

Summer Works

We have just begun the construction of our astroturf pitch. It will be 40m by 20m, surrounded by fencing, and will be a fantastic addition to the school community. The existing pitch is very wet for a lot of the year but our astroturf pitch will allow the children an all-weather surface that they can use even when the existing pitch is out of action. The builders recently erected a fence around the building site and will begin in earnest shortly.

Thanks Chrissie for all the great work in keeping our school safe.

Ukuleles

The children of 3rd, and 4th class have been doing very well in ukulele class with Gayle. They're playing some cool, rock songs and are really enjoying learning the instrument. Maith sibh!

Christmas Show

Unfortunately, due to Covid restrictions, we won't be able to have our Christmas Concert as normal. However, the staff are busily preparing some entertainment that will be filmed by Paul Leonard on Monday 21st December. Paul will compile the videos and make them available as a link that parents can then access for a certain length of time. Parents will also have the option of purchasing a DVD or USB of the event. Please contact Melissa for details. Many thanks to you for your contribution towards the videotaping.

Charity

This year we have chosen St. Vincent de Paul as our designated charity. We will donate the proceeds of our Christmas jumper collection to St. Vincent de Paul. Our Christmas jumper collage is below.

Reminder – school closes at 12 noon on Tuesday 22nd December.
